

A large, stylized number '12' in a gold color is set against a dark blue background with a fine, pebbled texture. The number '1' is simple and blocky, while the '2' is highly decorative with elaborate, swirling flourishes. The text 'blue and gold' is printed in a bold, sans-serif font across the middle of the number.

"They say
that life
is a highway

Joyce
Kilmer

"Like a bridge over
troubled water, I
will lay me down."

Paul Simon

"The true teacher defends his pupils against his own personal influence. He inspires self-distrust. He guides their eyes from himself to the spirit that quickens him. He will have no disciple."

Amos Bronson Alcott

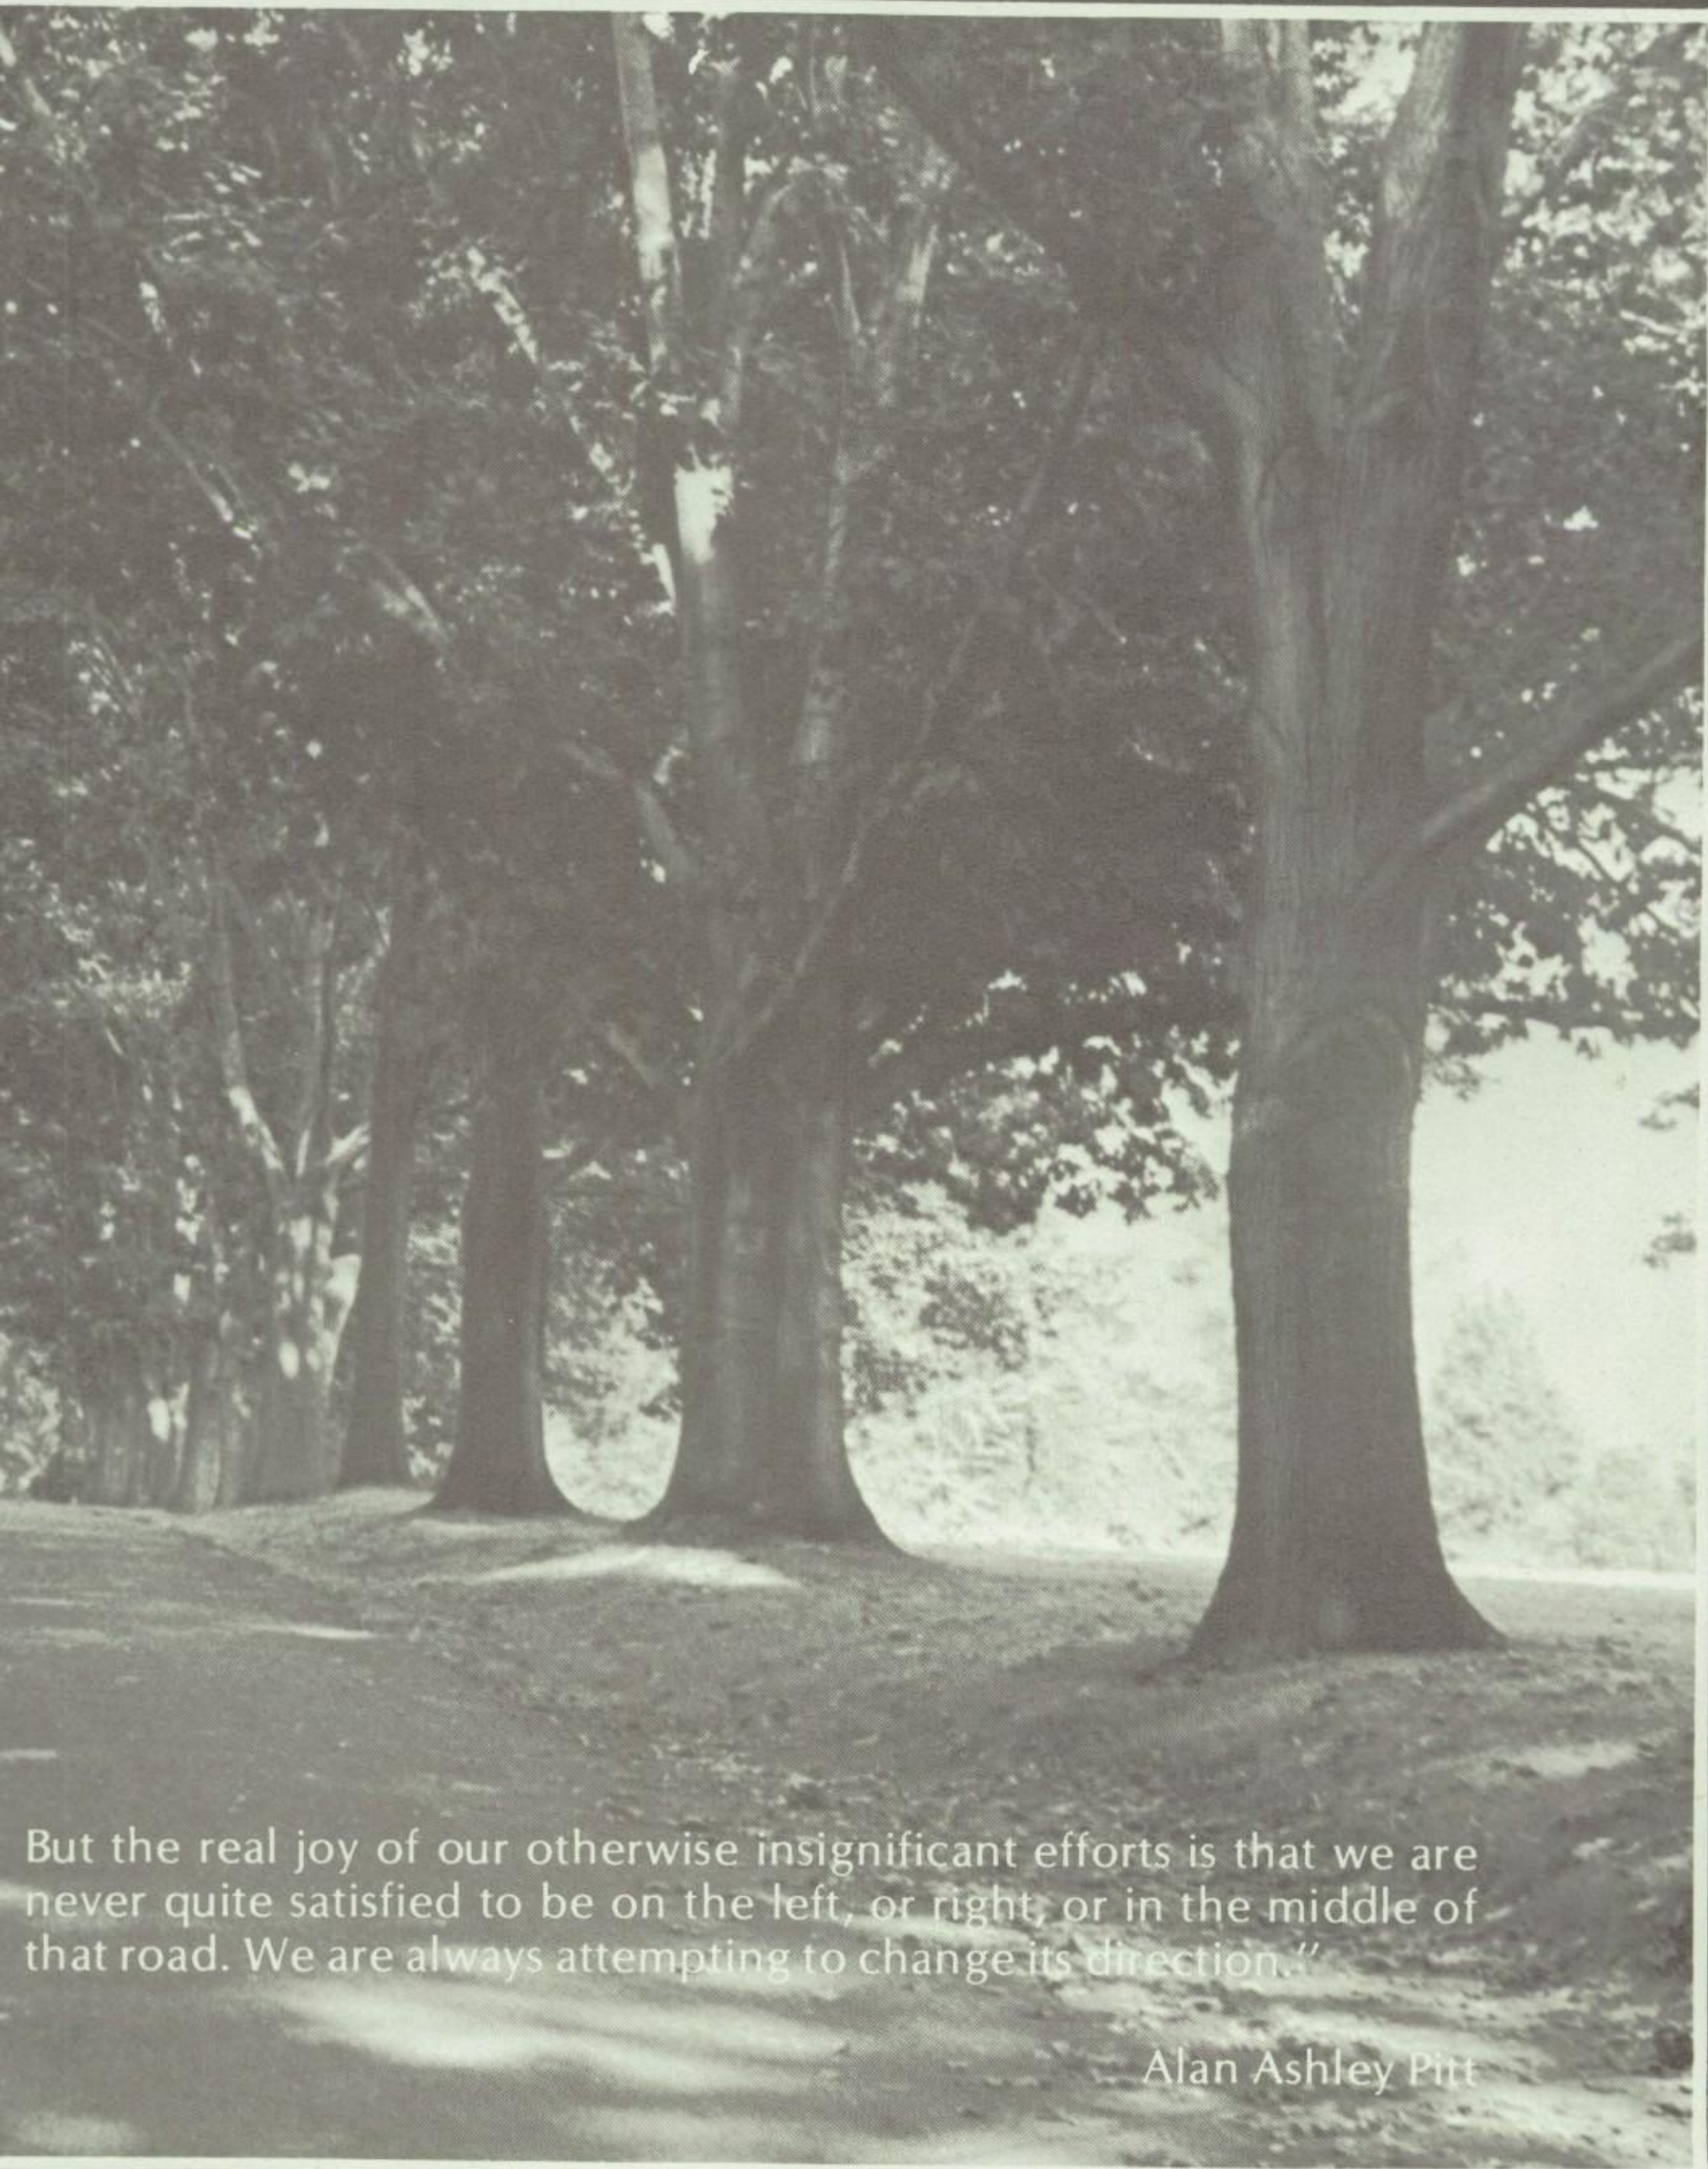

"Our true teacher" has generously given of himself to our class in a time when few have the interest and understanding for young people. He has utilized this to our advantage, inspiring us to think open-mindedly as individuals. Therefore, Mr. Bertrando, we dedicate our '72 BLUE AND GOLD to a really fantastic person! Thank you, Mr. B.!

"We travel along the road of life hardly knowing what we are, yet always daring to be something; seldom saying what we mean, but never afraid to have meaning; sometimes failing in our endeavors, though never tempted to cease trying; seeking satisfaction at every level, yet never defining happiness: often apologizing for our existence, while realizing that life is its own excuse.

ROADS CONNECT

But the real joy of our otherwise insignificant efforts is that we are never quite satisfied to be on the left, or right, or in the middle of that road. We are always attempting to change its direction."

Alan Ashley Pitt

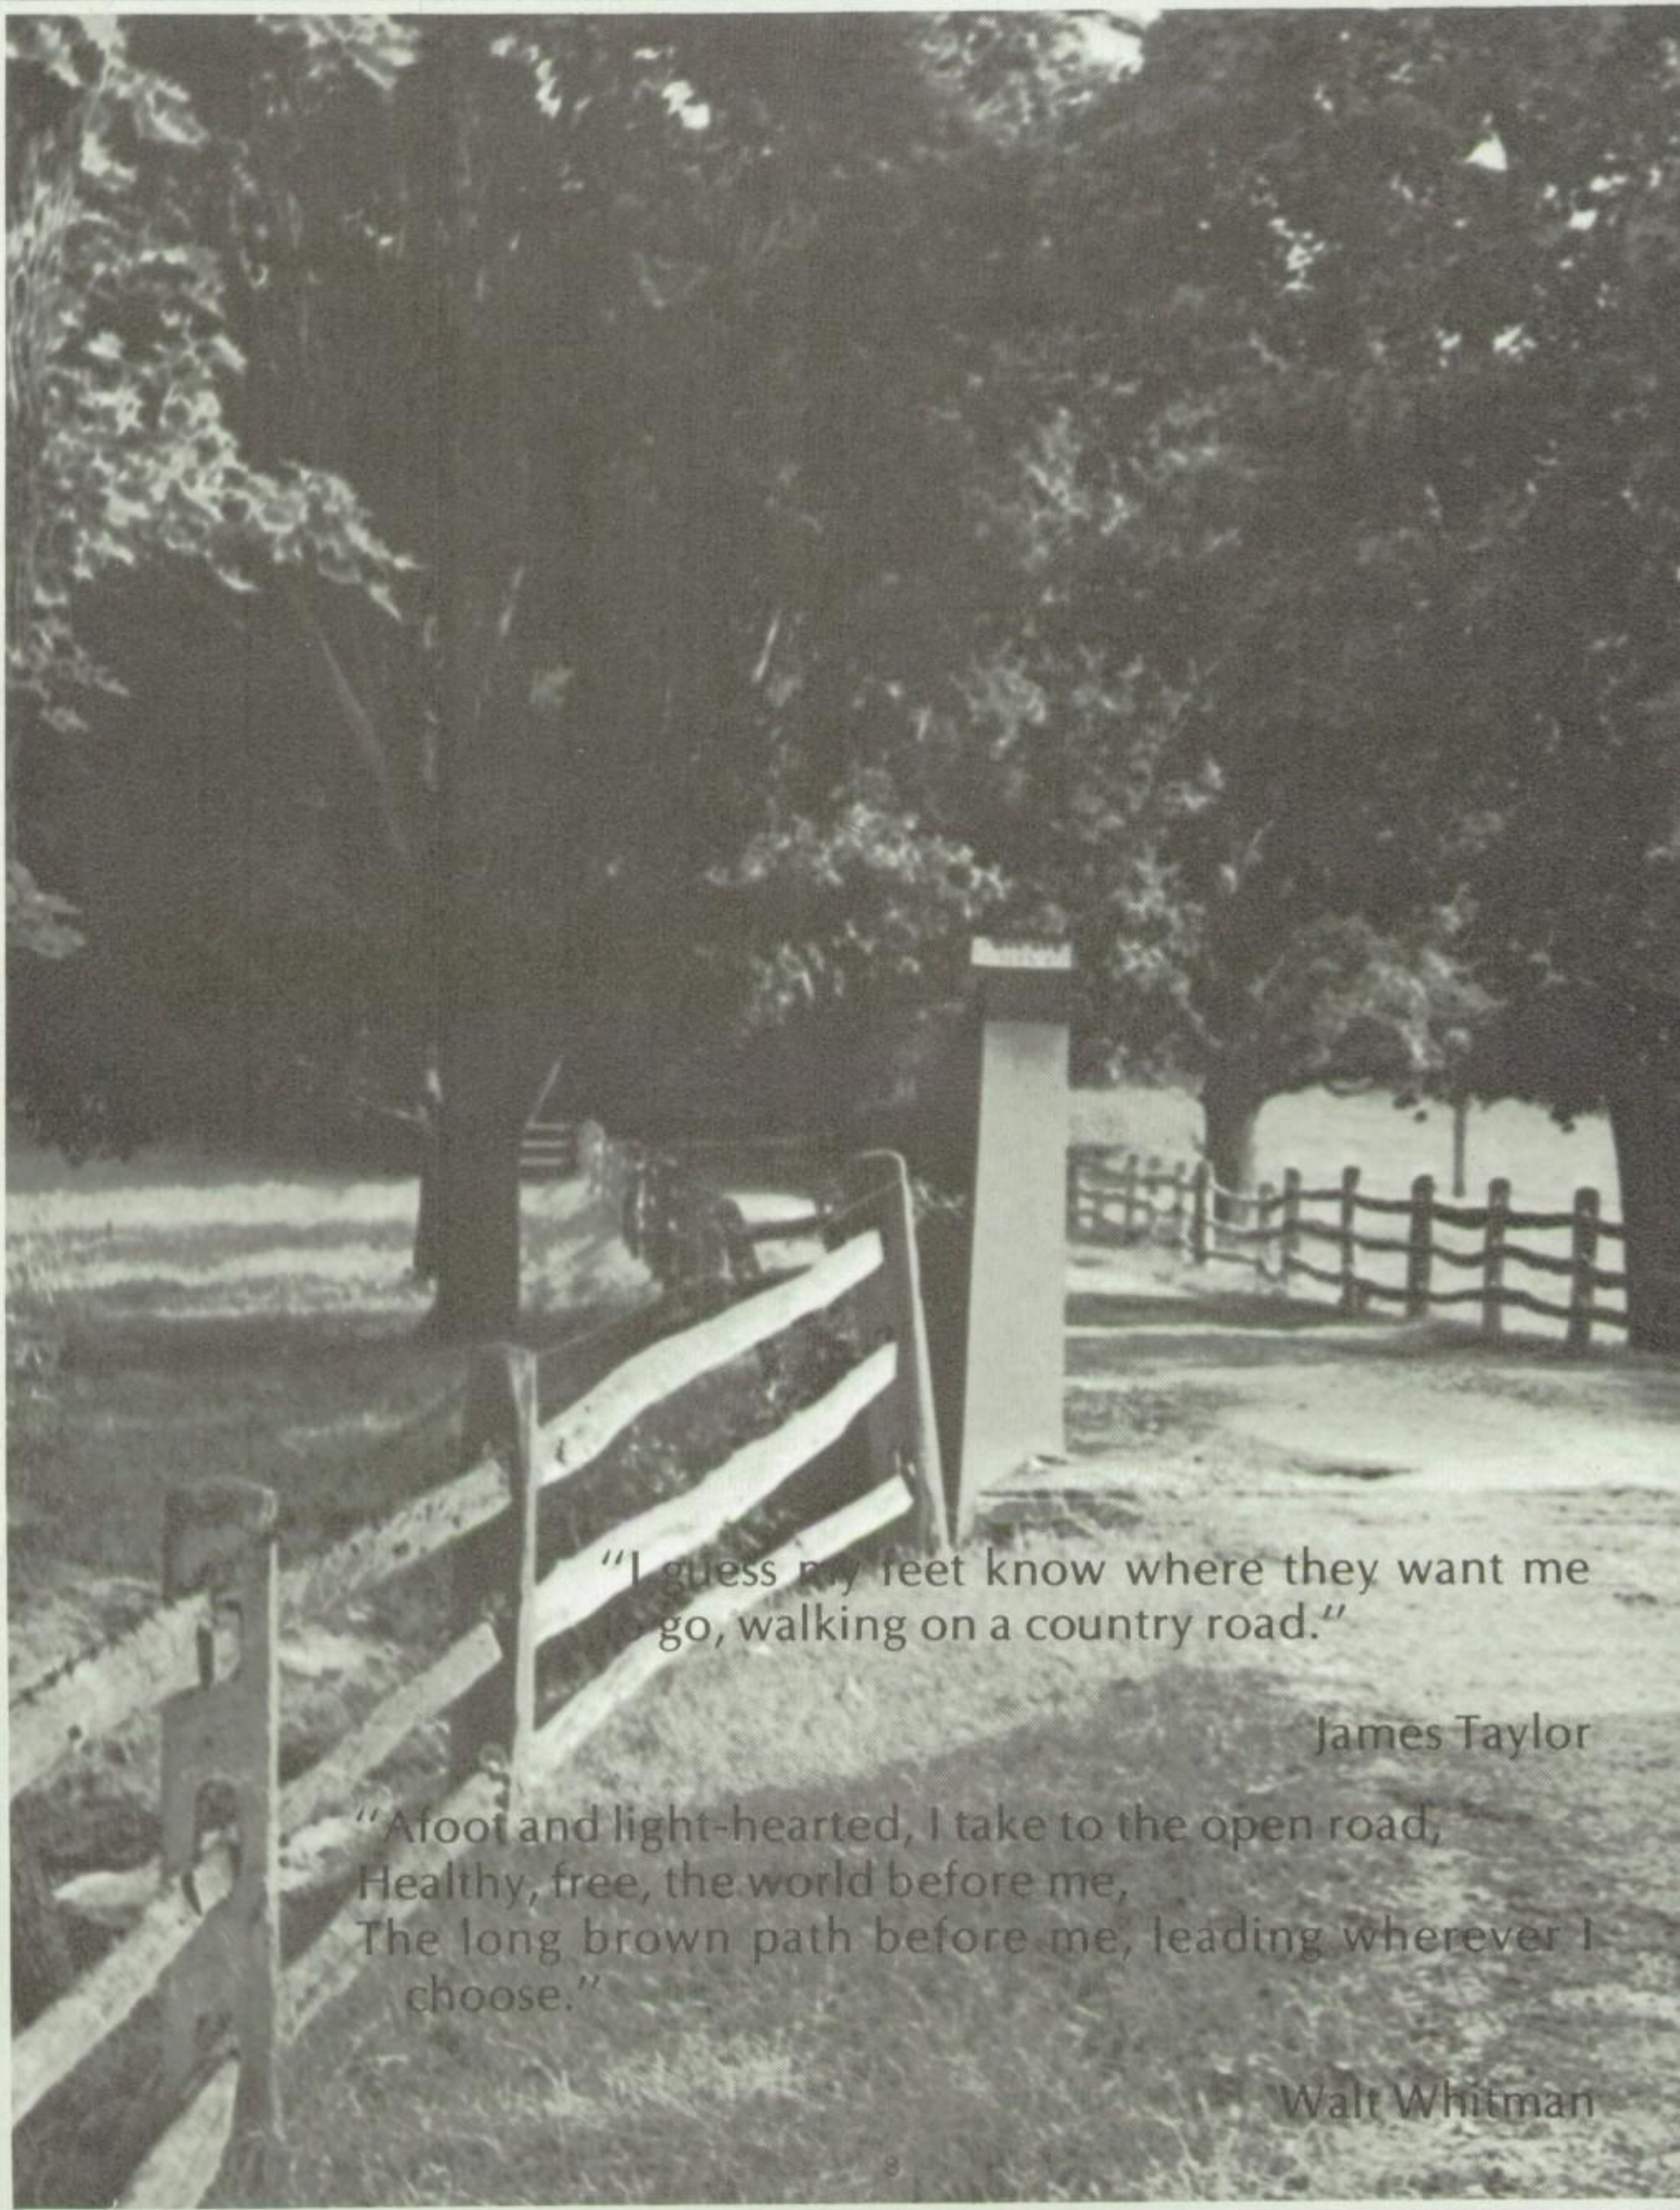

Jerry, Don't forget all the good years we
had together. Don't forget ~~me~~ when my parents
would go out. All the fun we had in 7th grade.
with everybody else. We even had a lot of mad
times with each during the years. There's really
nothing to say because I can see each other this
summer. And Jerry thanks you all the fun you
gave me.

"I guess my feet know where they want me
to go, walking on a country road."

James Taylor

"Afoot and light-hearted, I take to the open road,
Healthy, free, the world before me,
The long brown path before me, leading wherever I
choose."

Walt Whitman

"Man is not by any means of fixed and enduring form
... He is nothing else than the narrow and perilous
bridge between nature and spirit."

Hermann Hesse

"It has always seemed to me that the best
symbol of common sense was a bridge."

Franklin D. Roosevelt

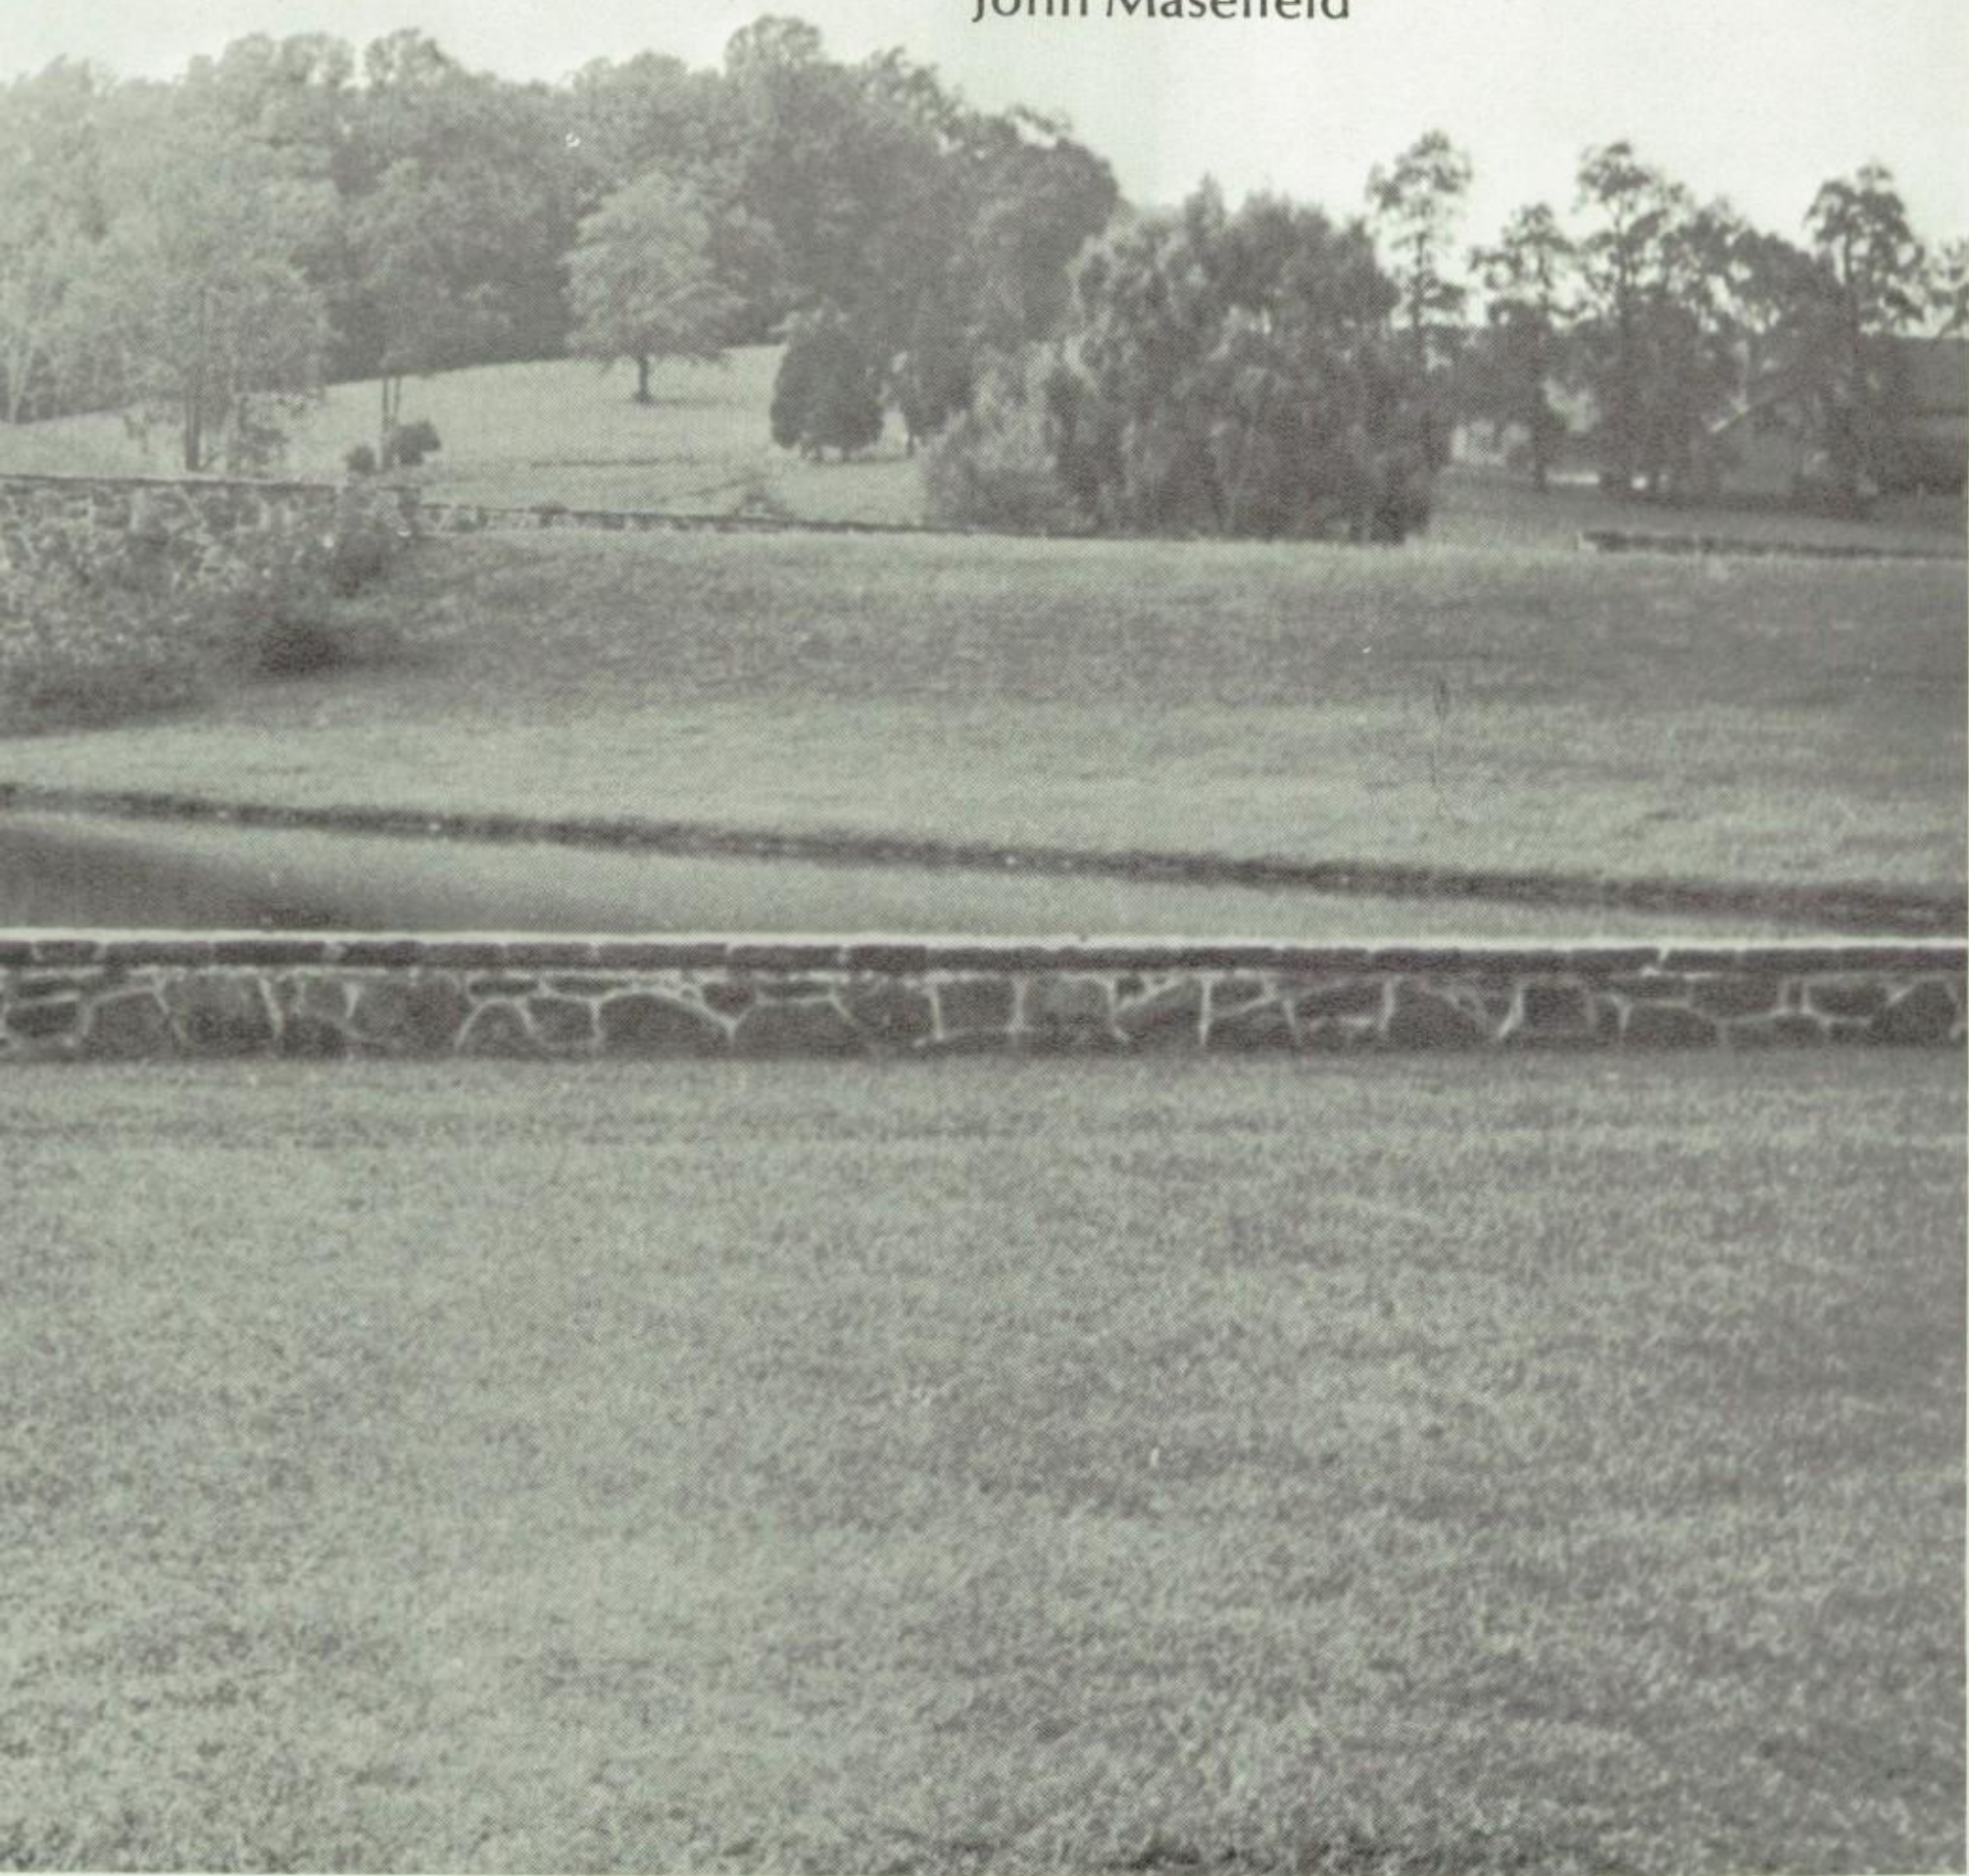

"O life! thou art a galling load,
Along a rough, a weary road,
To wretches such as I!"

Robert Burns

"My road shall be the road I made;
All that I give shall be repaid."

John Masefield

"First across the gulf we cast
Kite-borne threads, till lines are passed,
And habit builds the bridge at last!"

John Boyle O'Reilly

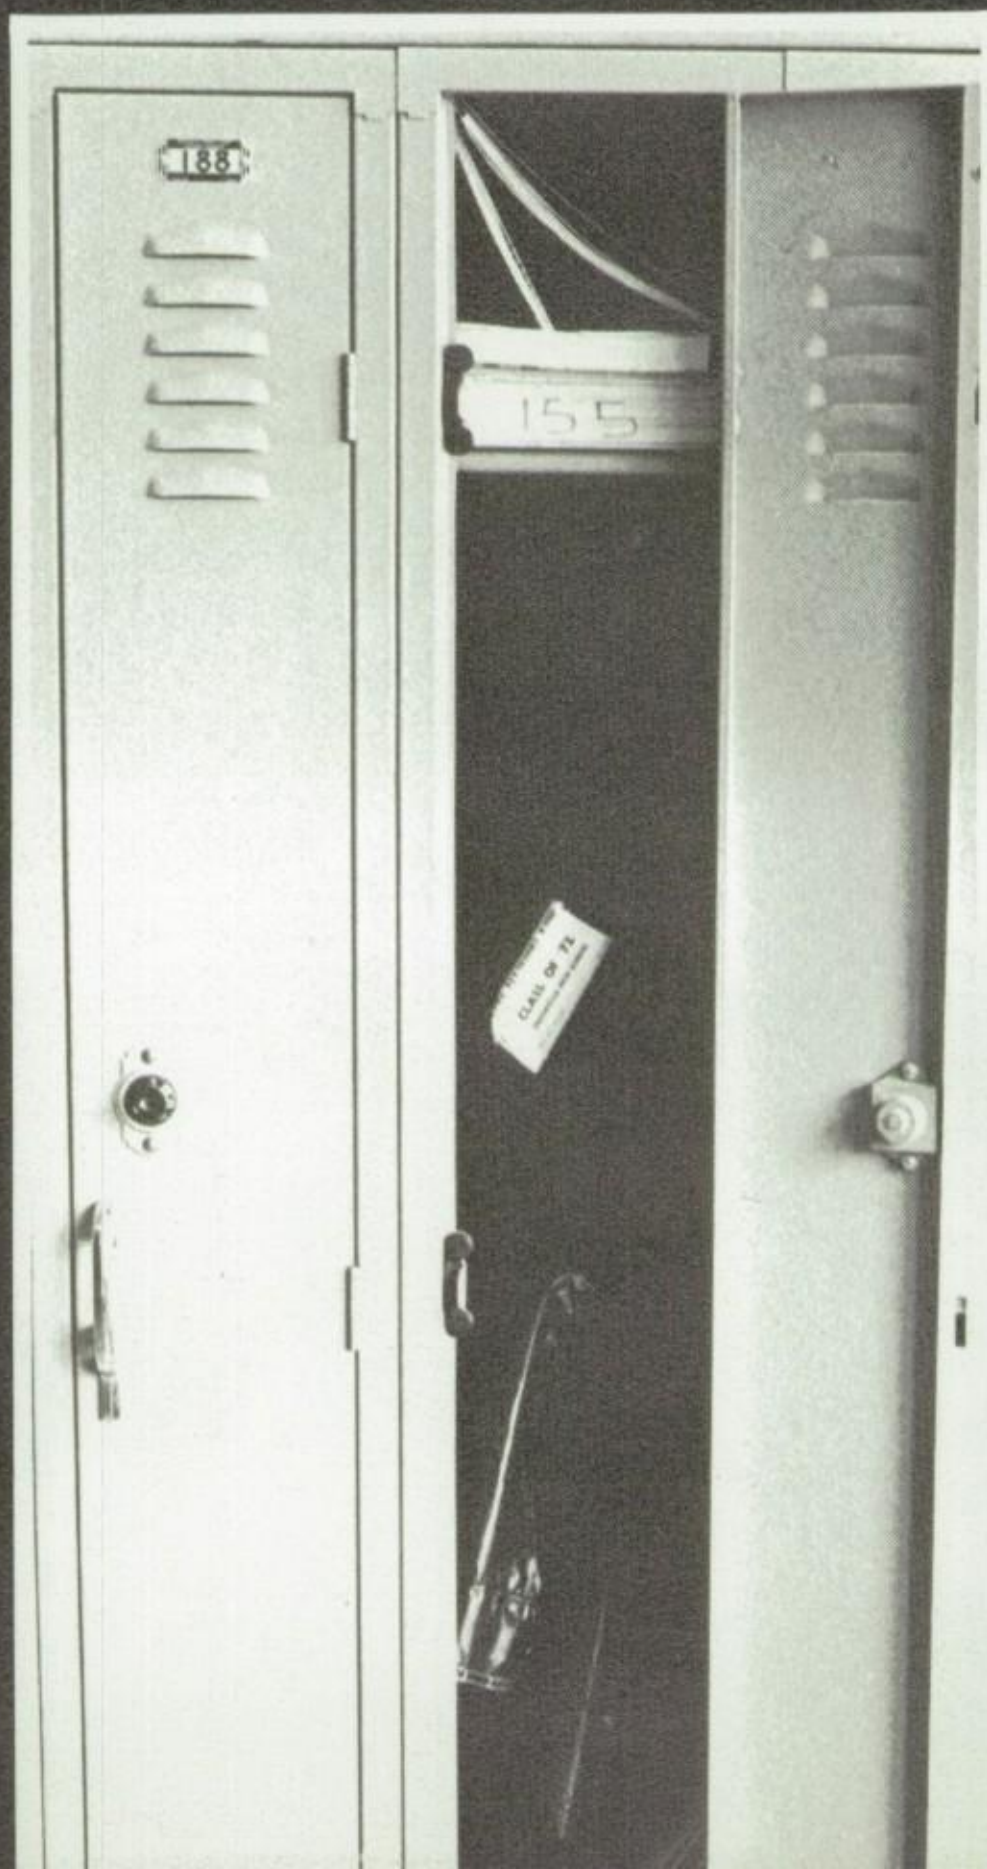

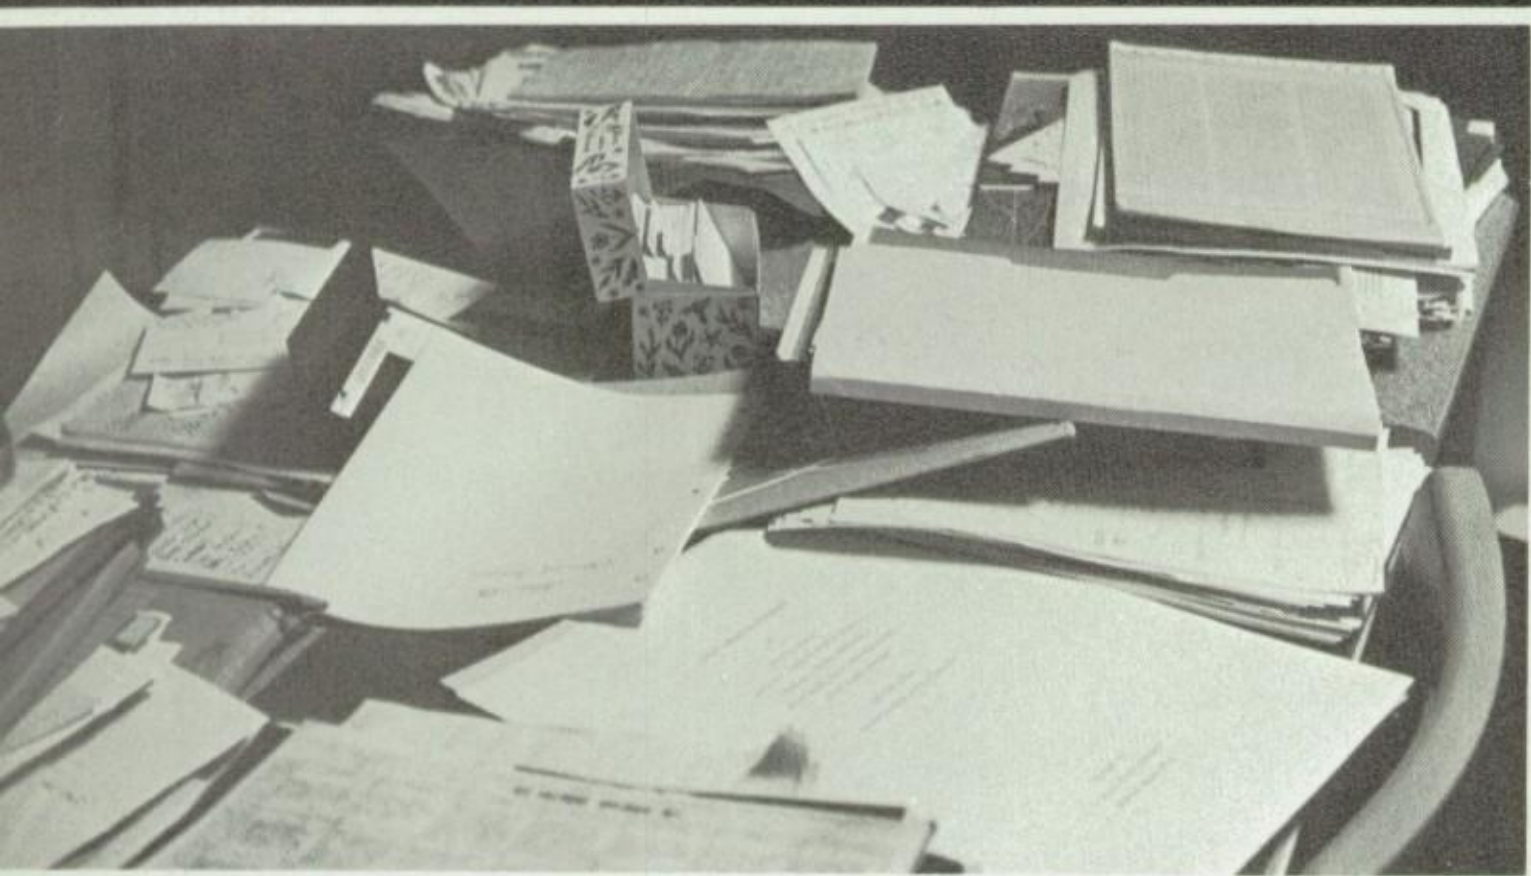

"So on and on I go, the seconds tick the time
out, there's so much left to know, and I'm on
the road to find out."

Cat Stevens

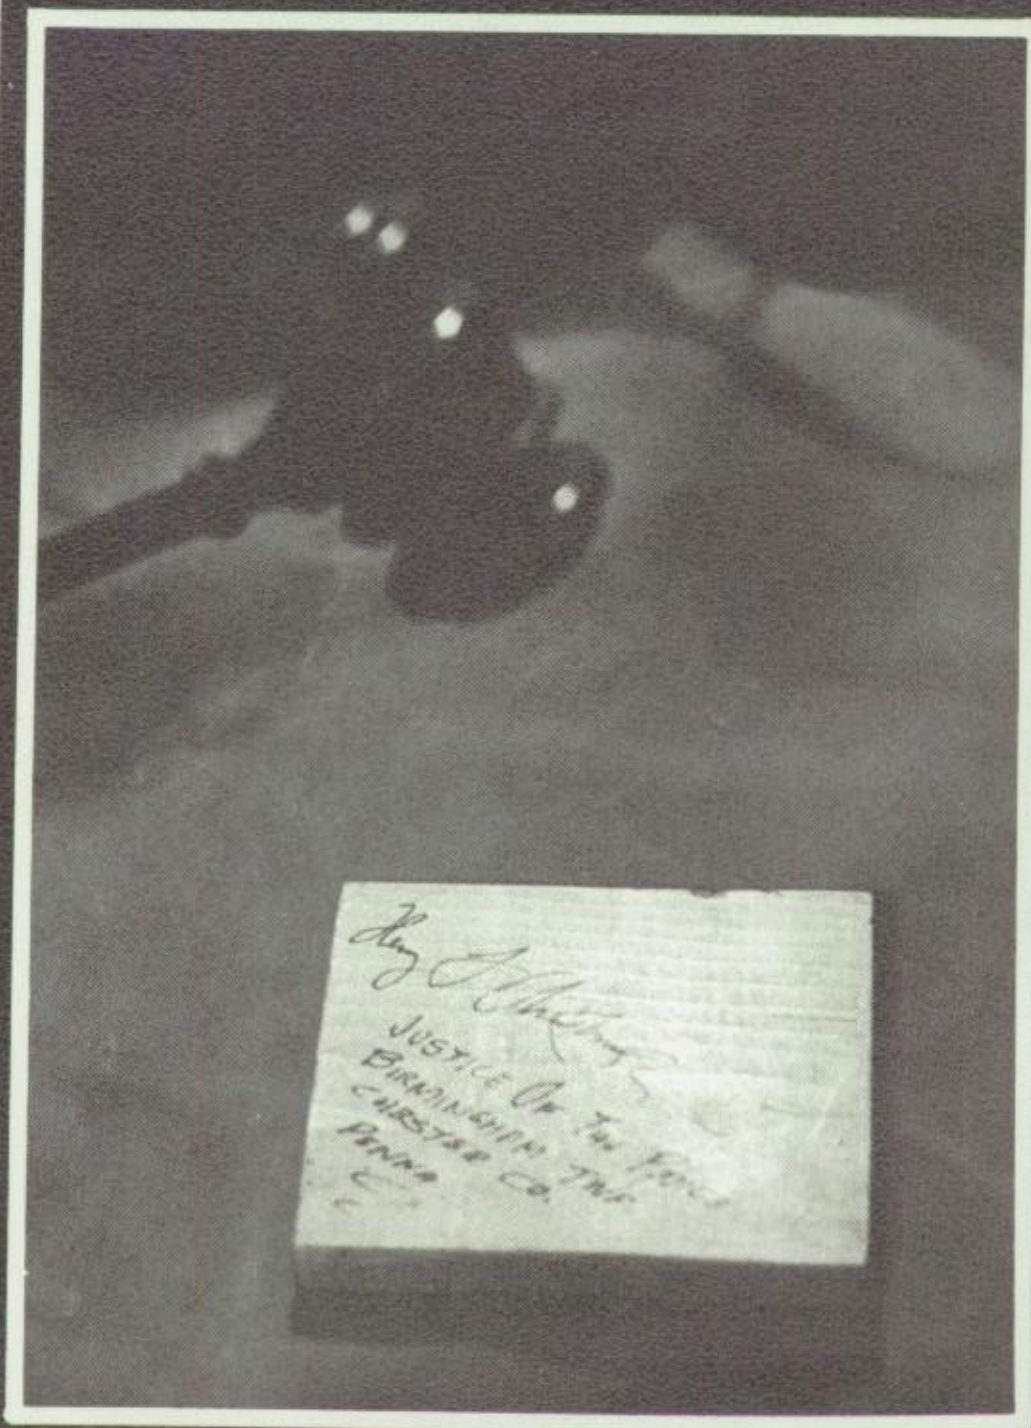

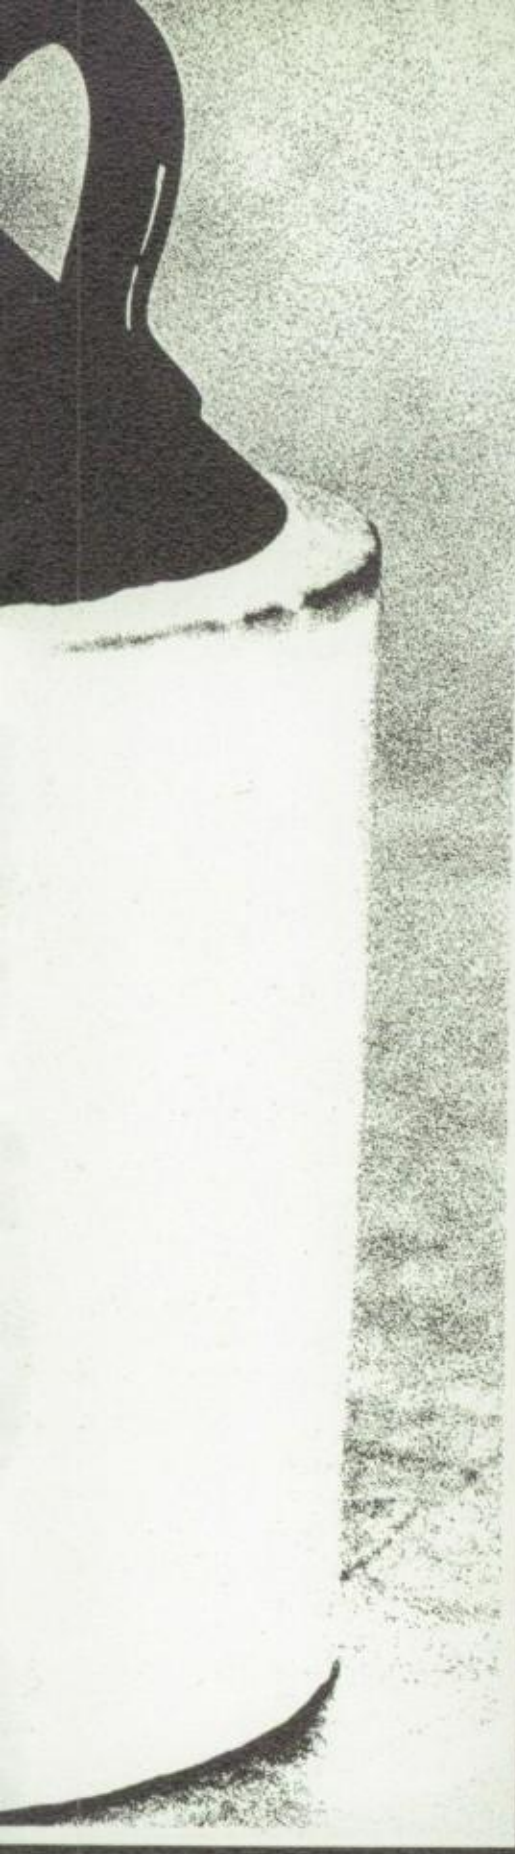

"The greatest thing in this world is not so
much where we stand, as in what direction
we are moving."

This year Unionville's golf team had a very successful season. Out of the five games they played, they won three. The boys defeated Sanford Prep twice and Nether Providence once. In their other game with Nether Providence, they were tied. Their only defeat came at the hands of Downingtown.

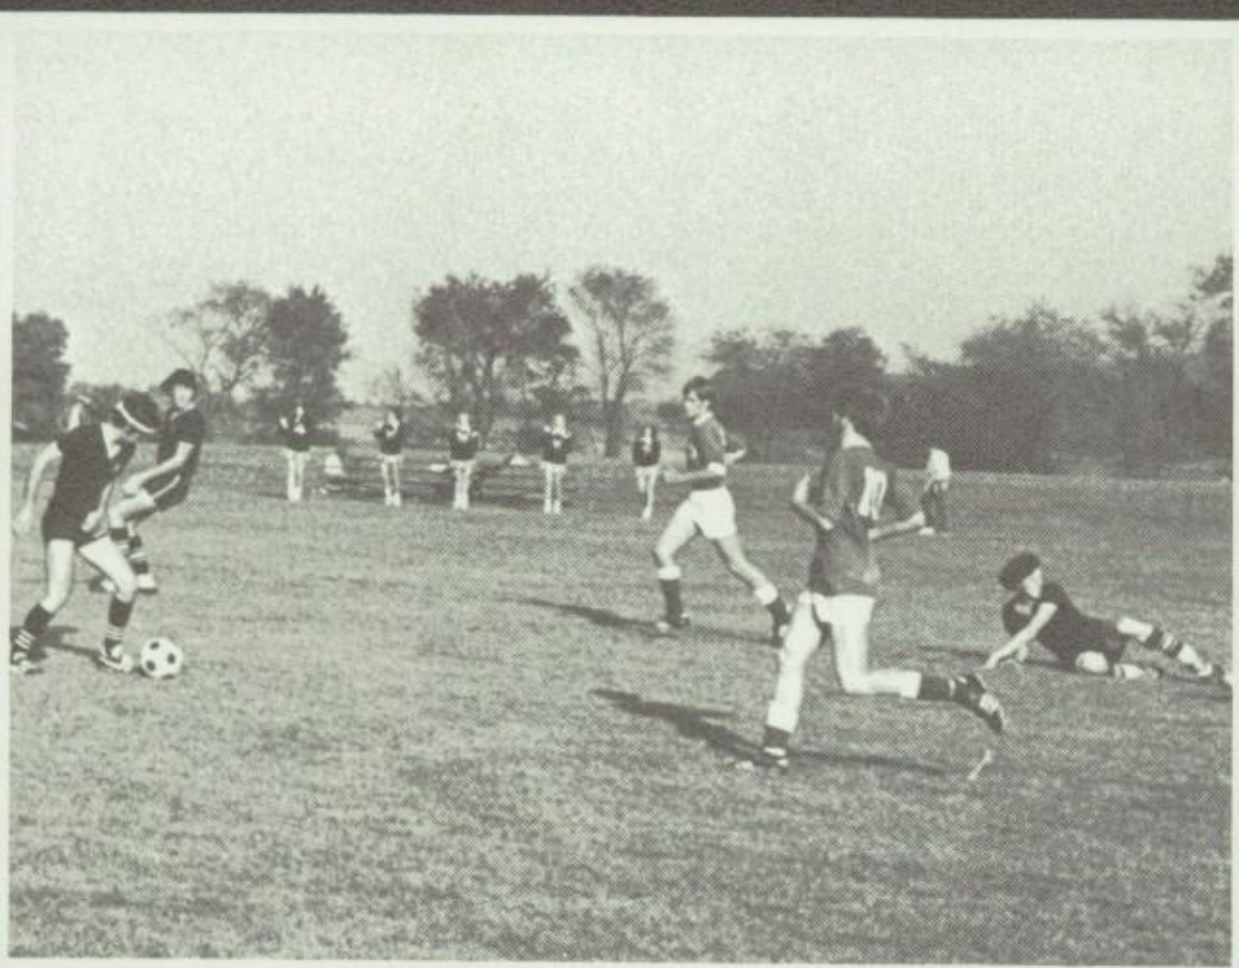

FRONT ROW: D. Mazzei; R. Wagner; L. Connon; J. Armstrong; J. Spellman; S. Ilseman.

 BACK ROW: J. Abrahamovich; R. Barnard; J. Stively; W. LaMack; J. Tebay; R. Moore.

Although the Varsity Soccer Team did not bring home the championship, they made up for it in their spirit and enthusiasm. According to Coach Kane, at first the boys played as individuals rather than as a team. The coach believes that this was their trouble in the start of the season; however, by the end of the season the boys had begun to play as a team.

Good luck next season!

This year the Senior Play was a great success. The new decision to allow underclassmen to participate as cast members increased interest in the play. The cast worked long and hard to bring off this hilarious comedy and the work paid off. We can only hope that future plays will receive the same amount of enthusiasm that this play received.

THE ROAD NOT TAKEN

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence;
Two roads diverged in a wood, and I --
I took the one less traveled by,
And that has made all the difference.
